

Gottfried Prairie & Arboretum NATIVE Plant Sale 2021

ORDER FORM

Welcome to the 6th Annual NATIVE plant sale by the Gottfried Prairie and Arboretum! Offering:

- Wisconsin native PRAIRIE SUN Perennials, PART-SUN Perennials, Grasses, Sedges and Rushes.
- Wisconsin native WOODLAND SHADE Perennials and Native Ferns.

FOUR Categories of Pots:

Small Pots: 2 ½" Plugs, minimum of 3 pots per species - \$4.00 each

Medium Pots: 3 ½" and 4 ½" pots (quart) - \$6.00 each

Large Pots: 5 ½" pots (half-gallon) - \$9.00 each

Gallon Pots: limited species, individually priced. See last page.

Planting Tips: Our Wisconsin natives are adapted to our climate and will grow very well for you if you plant them in the correct light, soil and moisture conditions. For all gardens, plants should be placed 12" apart. Create a border of at least a foot around the whole garden. It is best to install an edging around the perimeter to stop encroaching lawn grass. Mulch with year old wood chips, leaf mulch, clean grass clippings or clean straw. Keep plants moist for the first growing season and in times of drought.

Prepaid orders must be postmarked by March 29th. This date is firm. Orders will be DELIVERED will be May 8th. You will be contacted. Thank you for your order! Questions? Call Margie Winter at 920-517-5416. We suggest you make a copy of your order for your records.
