

ONLINE NATIVE TREE, SHRUB, AND PLANT SALE!

AUG 15 - OCT 1ST

For a limited time, you can add beautiful, locally-adapted plants to your landscape.

The best part? 15% of all sales through Johnson's Nursery will directly fund future events and enhancements at the Gottfried Prairie and Arboretum.

Planting in the fall gives your new trees and shrubs a head start, allowing their roots to establish themselves before the stress of summer heat and drought. It's a win-win for your garden and our community!
